Bar equipment: layout and list

Equipment and stainless pieces for the bar, for the fabricator. Sizes are W × D × H in metres, the space available in the bar, from the Simplex model. The rest of the bar (counter, back bar, shelves, glass rack, stools, POS nook, lighting, services) is in the full bar list. Shop 4, Tulip Residency, Gandaulim, South Goa.

PLAN 1:25 on A3, dimensions in metres

Each numbered circle is one item in the list below. Grey, unnumbered shapes are the rest of the bar (counter, back bar, stools, POS, server station); they are not part of this list. Left wall at the left of the plan.

BAR EQUIPMENT (MACHINES)

1 Flash chiller
0.50 × 0.42 × 0.57 m

2 Under-counter glasswasher
0.45 × 0.50 × 0.82 m

3 Glass-door drinks cooler
0.70 × 0.52 × 0.86 m

4 Ice machine, under-counter
0.50 × 0.55 × 0.80 m

5 Coffee batch brewer with 2 jugs
on the 0.80 × 0.50 counter

6 Water dispenser
on the 0.80 × 0.50 counter

7 Milk warmer
on the 0.80 × 0.50 counter

STAINLESS PIECES THE FABRICATOR CAN ALSO MAKE

8 Stainless work unit
1.06 × 0.20 × 0.85 m

9 Bar sink / ice well basin
0.38 × 0.16 × 0.16 m

10 Speed rail
1.06 long (depth and height to suit the unit)

DRAUGHT GEAR (USUALLY SUPPLIED BY THE BREWERY; LIST FOR FITTING SPACE ONLY)

11 Beer font with 3 taps
0.09 × 0.09 × 0.42 m

12 Keg 20 L with coupler
0.24 × 0.24 × 0.42 m

13 CO_2 cylinder with regulator and chain
0.15 × 0.15 × 0.67 m

No.	Item and where it goes	Size W × D × H (m)	Notes	Qty	Rate ₹	Make / model
1	**Bar equipment (machines)** To be supplied by the equipment vendor. Sizes are the space available in the bar: do not quote a wider unit.					
1	**Flash chiller** In the keg cabinet, beside the kegs	0.50 × 0.42 × 0.57	Self-contained, no outdoor unit, rated for room-temperature kegs in the tropics; chills the beer on its way to the taps	1		
2	**Under-counter glasswasher** In the built-in cabinet, toward the far end	0.45 × 0.50 × 0.82	Drop-down door; hot and cold water and a drain	1		
3	**Glass-door drinks cooler** In the built-in cabinet, toward the door	0.70 × 0.52 × 0.86	Lit; for mixers, water and soft drinks; state litres	1		
4	**Ice machine, under-counter** Under the counter beside the work unit	0.50 × 0.55 × 0.80	About 50 kg a day; filtered cold water and a drain	1		
5	**Coffee batch brewer with 2 jugs** On the station counter	on the 0.80 × 0.50 counter	State the make, model and size	1		
6	**Water dispenser** On the station counter	on the 0.80 × 0.50 counter	State the make, model and size	1		
7	**Milk warmer** On the station counter	on the 0.80 × 0.50 counter	State the make, model and size	1		
2	**Stainless pieces the fabricator can also make** Stainless steel 304 fabrication, the same as the kitchen work. Drawn in the model; the fabricator measures on site.					
8	**Stainless work unit** Behind the counter, bartender side, far end	1.06 × 0.20 × 0.85	Holds the sink basin and the speed rail below; one continuous stainless unit	1		
9	**Bar sink / ice well basin** Set into the top of the work unit	0.38 × 0.16 × 0.16	One basin used for washing and as the ice well; hot and cold tap, drains to the grey-water line. The vendor may propose a deeper basin (then the unit depth changes)	1		
10	**Speed rail** Along the front of the work unit	1.06 long (depth and height to suit the unit)	Holds the everyday spirit bottles within reach	1		
3	**Draught gear (usually supplied by the brewery; list for fitting space only)** Do not price these unless the brewery asks you to; the fabricator needs the sizes to leave room.					

No.	Item and where it goes	Size W × D × H (m)	Notes	Qty	Rate ₹	Make / model
11	**Beer font with 3 taps** On top of the counter, door end	0.09 × 0.09 × 0.42	One brass font, 3 taps; tap handles to the brewery brand. The brewery may lend this (get it in writing)	1		
12	**Keg 20 L with coupler** On the roll-out base in the keg cabinet	0.24 × 0.24 × 0.42	3 on tap, one per tap; supplied by the brewery	3		
13	**CO_2 cylinder with regulator and chain** In the back-bar cabinet under the infusion jars (a different place from the kegs)	0.15 × 0.15 × 0.67	Cylinder with regulator; the gas supplier fills it	1		

Concept sizes for pricing, not construction drawings. State the make, model, kW or litres, price ex-GST, delivery, installation, lead time, warranty and who services it in Goa. The Goa excise licence comes before any draught installation.
