Bar and server station: vendor list

Grouped by area of the bar, A to H. Plan at 1:25 on A3 (print at 100%), sizes in metres. From the Simplex model. Shop 4, Tulip Residency, Gandaulim, South Goa

Cabin East · Wok | Steam | Draught · Concept 27
singhgenics.github.io/Simplex/boq-bar.html

A CUSTOMER SIDE OF THE BAR

What guests see and sit at: the counter, the stools and the glass rack hanging above it.

1 Bar counter · 2.20 × 0.75 × 1.04
2 Bar stool, velvet high-back
3 Floating glass rack · 0.74 × 2.00

B DRAUGHT BEER (TAPS, KEGS AND CHILLER)

Everything for the 3 craft taps. The taps are on top of the counter; the kegs and chiller are inside the counter at the door end, behind two louvred doors.

4 Beer font with 3 taps · Ø 0.09 × 0.42 high
5 Keg cabinet · 1.10 × 0.63 × 0.90
6 Keg 20 L with coupler · Ø 0.24 × 0.42
7 Flash chiller · 0.50 × 0.42 × 0.57
8 Beer line, insulated
9 CO_2 cylinder with regulator and chain · Ø 0.15 × 0.67
10 Low CO_2 alarm

C BARTENDER WORK AREA (SINK AND ICE BASIN, SPEED RAIL, ICE MACHINE)

The stainless area behind the counter at the far end, where the bartender washes and scoops ice from the basin and keeps the speed-rail bottles.

11 Stainless work unit · 1.06 × 0.20 × 0.85
12 Bar sink / ice well basin · 0.38 × 0.16 × 0.16
13 Speed rail · 1.06 long
14 Ice machine, under-counter · 0.50 × 0.55 × 0.80
15 Water filter for the ice machine and the glasswasher

D BACK BAR (THE WALL BEHIND THE BARTENDER)

The long unit along the left wall: cabinets below, display shelves and an onyx panel above.

16 Back bar run · 2.65 × 0.40 × 0.96
17 Display shelves for whisky, gin and vodka · 1.00 × 0.25
18 Infusion jars with a glass shelf · 0.60 long × 0.22
19 Soju display and ON TAP board
20 Wall TV with bracket · 1.14 × 0.62
21 Neon sign "settle up here" and two red neon tubes · 0.90 × 0.20

E BUILT-IN SECTION (GLASSWASHER AND DRINKS COOLER)

A deeper stretch of the back bar opposite the bartender work area. The glasswasher and the cooler sit side by side in it.

22 Built-in cabinet for the glasswasher and cooler · 1.27 × 0.55 × 0.96
23 Under-counter glasswasher · 0.45 × 0.50 × 0.82
24 Glass-door drinks cooler · 0.70 × 0.52 × 0.86

F CASH AND POS

At the door end of the back bar, where bills are settled.

25 POS nook · 0.48 × 0.40 × 0.96 to 1.35
26 Cash drawer with small safe · 0.40 × 0.24

G SERVER STATION

On the left wall just past the back bar, two steps from the kitchen door.

27 Server station counter · 0.80 × 0.50 × 0.94
28 Wall shelf over the station · 0.80 × 0.30
29 Coffee batch brewer with 2 jugs
30 Water dispenser
31 Milk warmer

H SERVICES AND LOOSE ITEMS

Not a place on the plan: the power, water and drains the bar needs, the lighting, and things the bartender brings.

32 Power points
33 Water points with isolation valves
34 Drain points to the grey-water line
35 Warm LED strips and downlights
36 Bar smallware
37 Glassware

No tag on the plan: 15, 32, 33, 34, 35, 36, 37 (services, lighting and loose items, area H).

0 — 1 m — 2 m

PLAN 1:25 on A3, dimensions in metres

How to read it: the coloured letter tabs A to G are the areas of the bar; the numbered circles are the items in the list. The left wall is at the left of the plan, the bar island to its right. Dashed: the glass rack above and the ice machine.

Vendor list (37 lines in 8 areas)

Area	Item and where it is	Size W × D × H (m)	What it is / specification	Unit	Qty	Rate ₹	Amount ₹	Make / model
A	**Customer side of the bar** What guests see and sit at: the counter, the stools and the glass rack hanging above it.							
1	**Bar counter** The long island in the middle of the bar	2.20 × 0.75 × 1.04	Marble top, square end facing the door; onyx front edge-lit by an LED panel behind black mesh; black base; brass foot rail	nos	1			
2	**Bar stool, velvet high-back** In front of the counter, 0.60 m apart		Seat height to suit the 1.04 m counter	nos	4			
3	**Floating glass rack** Hangs from the slab above the counter	0.74 × 2.00	Brass frame on 4 black rods; lower tier at 2.30 m for stemware hung upside down, upper tier at 2.58 m for pints and highballs; warm LED strips	nos	1			
B	**Draught beer (taps, kegs and chiller)** Everything for the 3 craft taps. The taps are on top of the counter; the kegs and chiller are inside the counter at the door end, behind two louvred doors.							
4	**Beer font with 3 taps** On top of the counter, door end	Ø 0.09 × 0.42 high	One brass font, 3 taps; tap handles to the brewery brand. The brewery may lend this (get it in writing)	nos	1			
5	**Keg cabinet** Inside the counter, door end (bartender side)	1.10 × 0.63 × 0.90	Two louvred timber doors, because the chiller needs air; roll-out base for the kegs	nos	1			
6	**Keg 20 L with coupler** On the roll-out base in the keg cabinet	Ø 0.24 × 0.42	3 on tap, one per tap; supplied by the brewery	nos	3			
7	**Flash chiller** In the keg cabinet, beside the kegs	0.50 × 0.42 × 0.57	Self-contained, no outdoor unit, rated for room-temperature kegs in the tropics; chills the beer on its way to the taps	nos	1			
8	**Beer line, insulated** From the chiller up to the font		About 2 m with fittings	lot	1			
9	**CO_2 cylinder with regulator and chain** In the back-bar cabinet under the infusion jars (a different place from the kegs)	Ø 0.15 × 0.67	6 kg, chained upright, with a low vent grille	nos	1			
10	**Low CO_2 alarm** Low on the back-bar cabinet		CO_2 is heavier than air, so it sits near the floor	nos	1			
C	**Bartender work area (sink and ice basin, speed rail, ice machine)** The stainless area behind the counter at the far end, where the bartender washes and scoops ice from the basin and keeps the speed-rail bottles.							

Area	Item and where it is	Size W × D × H (m)	What it is / specification	Unit	Qty	Rate ₹	Amount ₹	Make / model
11	**Stainless work unit** Behind the counter, bartender side, far end	1.06 × 0.20 × 0.85	Holds the sink basin and the speed rail below; one continuous stainless unit	nos	1			
12	**Bar sink / ice well basin** Set into the top of the work unit	0.38 × 0.16 × 0.16	One basin used for washing and as the ice well; hot and cold tap, drains to the grey-water line. The vendor may propose a deeper basin (then the unit depth changes)	nos	1			
13	**Speed rail** Along the front of the work unit	1.06 long	Holds the everyday spirit bottles within reach	nos	1			
14	**Ice machine, under-counter** Under the counter beside the work unit	0.50 × 0.55 × 0.80	About 50 kg a day; filtered cold water and a drain	nos	1			
15	**Water filter for the ice machine and the glasswasher** Inside the cabinet next to the ice machine		Cartridge type; replace on schedule	set	1			
D	**Back bar (the wall behind the bartender)** The long unit along the left wall: cabinets below, display shelves and an onyx panel above.							
16	**Back bar run** Along the left wall, 2.65 m long	2.65 × 0.40 × 0.96	Olive-wood doors and marble top; onyx panel from 0.96 to 2.38 m with a sage panel above	m	2.65			
17	**Display shelves for whisky, gin and vodka** On the wall above the back bar	1.00 × 0.25	Two brass-edged tiers at 1.30 and 1.74 m; backlit onyx panel behind	set	1			
18	**Infusion jars with a glass shelf** Door end of the back bar	0.60 long × 0.22	Glass shelf at 0.96 m with 3 jars	set	1			
19	**Soju display and ON TAP board** Far end of the back bar, by the pillar		Size by the contractor; not drawn in the model	set	1			
20	**Wall TV with bracket** On the wall above the back bar, door end	1.14 × 0.62		nos	1			
21	**Neon sign "settle up here" and two red neon tubes** Over the POS nook; tubes on the back bar wall	0.90 × 0.20		set	1			
E	**Built-in section (glasswasher and drinks cooler)** A deeper stretch of the back bar opposite the bartender work area. The glasswasher and the cooler sit side by side in it.							
22	**Built-in cabinet for the glasswasher and cooler** Part of the back bar, 0.55 m deep here	1.27 × 0.55 × 0.96	Bartender aisle is about 0.70 m at this point	nos	1			
23	**Under-counter glasswasher** In the built-in cabinet, toward the far end	0.45 × 0.50 × 0.82	Drop-down door; hot and cold water and a drain	nos	1			
24	**Glass-door drinks cooler** In the built-in cabinet, toward the door	0.70 × 0.52 × 0.86	Lit; for mixers, water and soft drinks; state litres	nos	1			
F	**Cash and POS** At the door end of the back bar, where bills are settled.							
25	**POS nook** Recessed into the back bar, door end	0.48 × 0.40 × 0.96 to 1.35	Timber frame; room for tablet, card machine and receipt printer	nos	1			
26	**Cash drawer with small safe** Under the POS nook	0.40 × 0.24	Lockable	nos	1			
G	**Server station** On the left wall just past the back bar, two steps from the kitchen door.							
27	**Server station counter** Left wall, past the back bar	0.80 × 0.50 × 0.94	Black base, olive-wood doors, marble top	nos	1			
28	**Wall shelf over the station** Above the counter	0.80 × 0.30	At 1.60 and 1.95 m, for glasses and cutlery	nos	2			
29	**Coffee batch brewer with 2 jugs** On the station counter		About 12 cups a batch; state make and model	nos	1			
30	**Water dispenser** On the station counter		Chilled and ambient	nos	1			
31	**Milk warmer** On the station counter		Small	nos	1			
H	**Services and loose items** Not a place on the plan: the power, water and drains the bar needs, the lighting, and things the bartender brings.							
32	**Power points** Across the bar and the station		Ice machine, glasswasher, cooler, flash chiller, POS, TV, neon, LED strips, coffee brewer, water dispenser; the chillers and POS on the power backup	nos	10			
33	**Water points with isolation valves** Bar sink, glasswasher, ice machine, coffee brewer		Hot and cold at the sink and glasswasher; filtered cold at the ice machine	nos	4			
34	**Drain points to the grey-water line** Bar sink and ice basin, glasswasher, ice machine		Never to the biodigester	nos	4			
35	**Warm LED strips and downlights** Under both long sides of the counter; 4 over the marble		2,200 K	lot	1			
36	**Bar smallware** Bartender brings or buys		To the bar consultant's list: shakers, jiggers, strainers, muddlers, bar mats	lot	1			
37	**Glassware** Per the drinks menu		Pint, gose, whisky, highball, coupe, shot; see the crockery list (breweries often give branded pint glasses)	lot	1			

Quantities and sizes are the space available, from the model; the vendor measures on site and states make, model, kW or litres, price ex-GST, delivery, installation, lead time, warranty and who services it in Goa. The Goa excise licence and fire NOC come before any draught installation. Concept drawings for briefing suppliers, not construction drawings.
